**"Why do I need to measure?
Nothing ever changes"**

BRIDGE SMART

Every day is different.
The only way to be sure is to measure up - every time, every journey.

FORS PROFESSIONAL

**"I've been doing this job for 20 years,
it won't happen to me"**

BRIDGE SMART

It happens to someone.
There is an average of five bridge strikes a day in the UK.
That's at least 1825 drivers per year that thought it wouldn't happen to them.

**"I know exactly how high my truck is,
I don't need reminding"**

BRIDGE SMART

Display your height - show it, know it.

FORS PROFESSIONAL

"I know this route like the back of my hand"

BRIDGE SMART

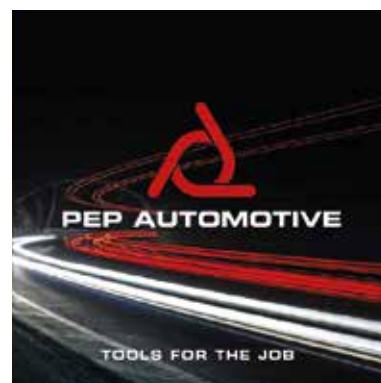

Things change.
No matter what you think you know, always check your route against your vehicle's height.
